JUDGMENT

Complaint of petitioner essentially stems from non-declaration of probation in the cadre of Assistant Professor (Surgery). Petitioner has addressed Ext.P6 to the second respondent. Ext.P10 is a communication by the Principal to second respondent. Ext.P10 shows that the Principal has forwarded the request addressed to first respondent with an application for declaration of probation and for further necessary action. Heard the learned Government Pleader also. The Writ Petition is disposed of directing the first respondent to consider and take a decision on Ext.P10 in accordance with law, within a period of one month from the date of receipt of a copy of this Judgment. In regard to the relief relating to promotion, if so advised, it is for the petitioner to represent the matter in the appropriate Forum in accordance with law.
